DECORATIVE PARTY TENTS 14'W x up to 32'L

CPAI-84 FIRE RATED FOR PUBLIC GATHERINGS

MDM Products Decorative Backyard Party Tents offer an attractive and elegant solution for outdoor parties, weddings, sporting events, show booths, or any impromptu gathering.

All party tents come with removable walls and doors. Walls have clear, poly windows, with silkscreened panes. An attractive, royal blue trim and skirt add the decorative finishing touch to your outdoor party tent. The heavy-duty frame is powder coated with a charcoal grey, hammertone finish. All frame parts are pre-drilled, no tools required. All fabric components feature heat-welded seam construction.

Unit features double zipper door on one end and solid panel on the other for good ventilation. Each door contains a pocket for a rigid pole at the base and grommets for securing open during use. Corner flaps hide leg poles when sides are removed, walls attach with velcro fasteners and bungees. Units can be set-up with full enclosure, one wall, both walls... any number of combinations to fit your needs. Multiple units can be positioned side by side or end to end for larger space requirements. All carry the CPAI-84 rating for public gatherings.
